GMDSS SHORE-BASED MAINTENANCE SERVICE AGREEMENT FOR MAINTENANCE OF GMDSS EQUIPMENT

Between **PT. PAN MARINE WIRA PAWITRA**
(Owner / Ship Management)

And **PT. ADHYA TEKNOLOGI SAMUDRA**
(Service Company)

For vessel **CB. PAN MARINE 19**

This agreement is valid for the above-mentioned company covering **SHORE-BASED MAINTENANCE, GMDSS A1, A2 & A3.**

Referring to the Amendments to the 1974 Convention of the SOLAS GMDSS Regulation concerning radio communication for the Global Maritime Distress and Safety system (SOLAS 88 Regulation IV/15) and as also stated in the IMO Resolution A702 (17).

If there is a defect on the GMDSS products listed in Appendix 1 to the agreement, PT. Adhya Teknologi Samudra shall use one of the possibilities listed below to solve the problem on the usual conditions:

1. forward a replacement to the vessel,
2. arrange repair through the Marine Service Network,
3. send a technician to the vessel from the authorized agent.

The primary method of solving the problem will be to replace the unit, however, with the possibility of a follow-up by a technician.

This agreement shall be valid for 2 (two) years with effect from successful commissioning or upon re-issue of the agreement.
