GMDSS SHORE-BASED MAINTENANCE SERVICE AGREEMENT FOR MAINTENANCE OF GMDSS EQUIPMENT

Between PT. PAN MARINE WIRA PAWITRA
(Owner / Ship Management)

And PT. TREYS INDONESIA
(Service Company)

For vessel CB. PAN MARINE 10

This agreement is valid for the above mentioned company covering **SHORE-BASED MAINTENANCE, GMDSS A1, A2 & A3.**

Referring to the Amendments to the 1974 Convention of the SOLAS GMDSS Regulation concerning radio communication for the Global Maritime Distress and Safety system (SOLAS 88 Regulation IV/15) and as also stated in the IMO Resolution A702 (17).

If there is a defect on the GMDSS products listed in Appendix 1 to the agreement, PT.TREYS INDONESIA shall use one of the possibilities listed below to solve the problem on the usual conditions:

1. forward a replacement to the vessel,
2. arrange repair through the Marine Service Network,
3. send a technician to the vessel from the authorized agent.

The primary method of solving the problem will be to replace the unit, however, with the possibility of a follow-up by a technician.

This agreement shall be valid for 1 years with effect from successful commissioning or upon re-issue of the agreement.
